

LONGPOINTE OCCUPIED BY FRENCH TROOPS

LOYALTY LEAGUE ORGANIZED LAST NIGHT, MEETING HELD AT Y. M. C. A.

EXECUTIVE COMMITTEE COMPOSED OF REPRESENTATIVE MEN WAS NAMED. SLACKERS TO BE MADE TO WORK.

Payne, Tarrant Speak

STRONG RESOLUTIONS CALLING FOR THE STABILIZING OF LABOR IN THE COUNTY ARE ADOPTED

As significant a thing as was said at the mass meeting attended by many hundreds at the Y. M. C. A. last night was: "Any one who does not reform or any one who is seeking to evade productive work, is a 'slacker'."

Former Mayor John Patterson made this statement in accepting in behalf of the Morgan county central committee on "self preservation and loyalty," the trust of putting every able bodied person in the county to real work.

The great meeting breathed the spirit of one of 148 years ago in which Nathan Hale, who was afterwards shot as a spy by the British, arose and said: "Let us march at once and never lay down our arms until we have achieved our independence."

Stalwart workers from the L. & N. shops were in the majority in the meeting and even H. H. W. W. president of the Mississippi federation of labor, said, "We will put the loafers and pool room gamblers on real jobs" there was a shout and much cheering.

"The five million non-producers, if put to work, can put 5,000,000 soldiers in France in 30 days" was the signal for more enthusiasm. W. T. McGowan, of Mobile, assistant to Cliff Williams, superintendent of the 6th Industrial district made this statement. Mr. McGowan had been preceded by Geo. B. Tarrant of Birmingham, federal director of U. S. employment service in Alabama, W. B. Edmundson, Morgan county food director presided at the meeting and C. L. Spain of Birmingham, traveling-examiner of labor sat with Mr. Edmundson.

The Big Central Committee Named—Following a resolution moved by Geo. C. Hise, and seconded by C. E. Mann the following executive committee for labor in Morgan county was named:

H. B. Beard, W. F. Boswell, R. P. McEntire, L. K. Wiggins, T. M. Dix, A. Z. Bailey, Jno. Patterson, F. S. Hunt, Z. K. Goode, T. F. Lewis.

The resolutions, moved by Mr. Hise, and adopted by a rising vote, were as follows:

Whereas, an ample supply of labor and its proper distribution are essential in the successful prosecution of the war;

Whereas, Labor is vitally necessary to the construction of ships, without which the cotton and food crops cannot be moved, which condition inevitably depresses prices; and

Whereas, The present means for securing labor for all of the above mentioned purposes are unsatisfactory, inadequate and, in some cases, actually destructive of industrial enterprises and the government is endeavoring to inaugurate a systematic method of distributing labor through the coordination of all industrial needs;

WHEREFORE BE IT RESOLVED:

By this meeting of representatives of all industries of Morgan county, that we pledge the people of this county to hearty cooperation with each and every government agency which seeks to stabilize the labor situation of our county, state and section, to the end that the indiscriminate employment of labor may be stopped, its aimless migration be brought to an end, its constant occupation be accomplished, its proper distribution be made possible, and its highest efficiency be developed to its own and the common good.

Be it further resolved: That the chairman of the executive committee be, and he is hereby, authorized to appoint a committee of one from each beat of the county to effect a permanent organization to carry out the purposes set forth in these resolutions such organization to be called the Morgan County Self-preservation Loyalty League, its officers to be a chairman, vice-chairman, secretary and treasurer.

Newspapers are directed to discontinue all exchanges, as well as to curtail the "free list," in instructions sent out by the War Industries Board, of which B. M. Baruch is chairman.

The following circular letter has been sent to all newspaper publishers: On account of the shortage of materials the question of the supply of paper is becoming acute and the use of paper must be economized to the greatest possible extent.

Discontinue the acceptance of the return of unsold copies.

Discontinue the use of all samples or free promotion copies.

Discontinue giving copies to anybody except for office working copies or where required by statute law in the case of official advertising.

Discontinue the buying back of papers at either wholesale or retail price from dealers or agents, in order to secure preferential representation.

Discontinue the payment of salaries or commission to agents, dealers, or newsboys for the purpose of securing the equivalent of return privileges.

Discontinue all free exchanges.

HUTCHINSON PLANS RECRUITING DRIVE WITH RED CROSS

Five-Dollar Fee Usually Given Postmasters for Securing Recruits Would Be Given To Red Cross

Birmingham, Ala., July 12.—A plan to inaugurate a campaign to secure recruits for the regular army is being planned and an effort is being made to interest the Red Cross workers in this drive. Postmasters of second, third and fourth class offices are paid \$5 for every recruit they secure who is accepted and enlisted in the regular army, and it is planned to have the women of the Red Cross work in this drive and instead of the postmasters of second, third and fourth class offices keeping the money paid for securing recruits, this amount be turned over to the Red Cross.

By the Red Cross workers assisting postmasters in securing recruits, they will be killing two birds with one stone, by assisting the government in raising the regular army and at the same time procuring a contribution for the Red Cross or any other charitable institution.

Although there have been many drives for the prosecution of the war, there has never been a drive for recruits, with the exception of those inaugurated and made by the recruiting officers throughout the State, and it is almost impossible to reach the individuals in small localities and explain the service to them. However, this could be effectively done by postmaster and municipal officials in the rural districts.

Postmaster B. Hutchinson of the local recruiting station, a speaking of the proposed drive said: "The number of enlistments made from non-regimented men between 18 and 21 and 31 and 40 years of age, who have not registered, is \$5 is not a lot for applicants of the United States guard, national army or national guard, but is paid for applicants for the regular army."

"This is an excellent time to inaugurate a campaign for recruits, inasmuch as the crops are now very nearly made and ready to lay by, therefore young men can be spared during this month and August, whereas it is almost impossible for them to enlist before, as they had started a crop which was not in shape for them to leave."

Birmingham and Jefferson county have responded to every call for recruits most loyally and I believe has done as much and furnished as many young men to lick the Kaiser as any other city or county in the United States, but there are several outlying rural districts and counties that have not responded as they should. This is due largely to the fact that the business men and general public have not taken the interest in their country and their young men, and have not brought the young men face to face with the duty they owe their country and made them understand they were expected to do a man's part in this war, fighting for democracy, purity of women, Christianity's sake and the freedom of the world."

JOHNSON JUMPS FROM THIRD STORY WINDOW TO STREET

Birmingham, Ala., July 12.—J. M. Johnson, about 40 years old, of Gainesville, Fla., jumped to his death from the third story window of the United States Marshal's Office Thursday afternoon, following his arrest by a deputy Marshal at a local hotel on a white slave charge.

Johnson was taken into custody on request from United States authorities at Mobile. He was taken to Marshal Skeggs' office. Before the authorities realized Johnson was attempting to end his life, he had leaped to the pavement below. He fell on his right shoulder and face and died instantly.

Johnson was arrested in Mobile July 9 by police authorities and held in the city jail until Wednesday on the charge of attacking Mrs. J. Fuhres of Jacksonville, Fla., on a Pullman car and to whom he had previously allowed the use of his berth, according to press dispatches of that date.

Mrs. Fuhres did not appear against Johnson at the preliminary hearing and he was later released. In this instance, it is reported, he was arrested on request of authorities at Pascagoula, Miss.

Johnson is well known in the south and is said to have been assisting in the sale of War Savings Stamps in the Mobile district. He is said to have a wife and two children in Gainesville.

Following his arrest in Mobile it was charged that Johnson gave up his berth to Mrs. Fuhres, who was ill at the time and that he later entered the berth and choked her.

Johnson was a former Metropolitan Life Insurance agent.

Amsterdam, July 12.—A new explanation of why German submarines are not sinking American transports has just been put out by the semi-official Wolf press bureau of Germany. It claims that submarines are not wasting precious time trying to trap transports, which are well armed and are conveyed by warships that are well able to save the greater part of the men on the transports if sunk.

MORE GROUND GAINED ON THE DOUBLE FRONT; ALLIES HITTING HARD

BERAT IS CAPTURED BY THE ARMIES OF ITALY

BRITISH BOMBARD CONSTANTINOPLE Allied Lines in Albania Have Been Advanced Twenty Miles

(International News Service.)
London, July 12.—The important Austro-Hungarian base of Berat in southern Albania has been captured by the Italians, said a Central News dispatch from Rome. The capture of Berat eliminates all danger of an Austrian drive against Valona. Many prisoners were taken. The Italian lines are being advanced about 19 miles in southern Albania and have been shortened more than 30 miles.

(International News Service.)
Continuing their successful operations between the Aisne and Orq rivers on the Marne front, the French have captured the village of Longpointe and Javage farm, which the Germans had fortified. The French lines have also been extended north of Chavigny farm. This latest burst of fighting evidently was carried out in bad weather, as previous dispatches told of violent wind and rain storms on Thursday morning.

It is reported that the Italians have captured the Austrian base of Berat in southern Albania. The Italian and French forces operating in southern Albania have made remarkable progress in the operations there. At some points the allied lines have been advanced 20 miles or more.

The allied forces are rapidly approaching the southwestern frontier of Serbia. It is becoming evident that it is the plan of the allies to attempt a great flanking movement in the Balkans.

(International News Service.)
Washington, July 12.—The list of American heroes who have won the distinguished service crosses continues to grow. Gen. Pershing today reported awards to nine more soldiers and marines.

(International News Service.)
London, July 12.—Constantinople was bombed by British airmen on July 7, when half a ton of explosives were thrown on the city, the admiralty announced today.

(International News Service.)
Copenhagen, July 12.—"The change of foreign secretaries will not change foreign or internal policies of the German government," Chancellor Von Hertling declared in a speech before the Reichstag, said a dispatch from Berlin today.

The chancellor went on to say: "The utterances of President Wilson and Foreign Minister Balfour of England force Germany to continue the struggle. Foreign Secretary Von Hintz has given a binding promise to follow every pledge made by the chancellor. The change of foreign secretaries was not caused by any real differences, but by personal discussion of matters that should not have been made public. Germany's attitude on peace has never changed. The closest union exists between the political and military factions. We are ready to receive any sincere peace proposals the enemy shall make."

Chancellor Von Hertling's speech has made it certain that Admiral Von Hintz has succeeded Dr. Von Kuehlmann as foreign secretary of Germany. This is the first reference to Von Hintz' appointment.

(International News Service.)
London, July 12.—One of the two assassins who murdered Count Von Mirbach, the German ambassador to Russia at Moscow last Saturday, has been arrested, said a dispatch from Copenhagen.

(International News Service.)
Paris, July 12.—While the Italian and French have continued to advance in southern Albania, the Austrian artillery has developed great activity further eastward and there is now mingled infantry action and big gun duelling over a zone of nearly 175 miles.

(International News Service.)
With the American Army on the British Front, July 10—(Delayed)—French prisoners of war who escaped their captors say that the Germans are planning an offensive south of Ypres with Calais as its objective and that it may develop this month.

ALICE BRADY AT MASONIC THEATRE SATURDAY

"Woman and Wife," adapted from Charlotte Bronte's beloved novel "Jane Eyre," will be shown at the Masonic Theatre Saturday. This photodrama is the second Select Star Series release featuring Alice Brady, who surpasses here even her previous success in "Her Silent Sacrifice."

In her sympathetic delineation of the much-suffering heroine, Miss Brady rises to a high rank as one of our leading emotional actresses. Jane Eyre is a poor girl who travels over a long rocky road before she finally wins to her haven of happiness. First as "a poor relation" among cold hearted relatives, later as an inmate of an institution for orphans under a cruel supervisor, and lastly as a governess to the child of the man she loves and who loves her—even here she finds a seeming obstacle to happiness. A kind fate finally intervenes; and after many privations and sorrows, she is united with her true lover.

"Woman and Wife" is a picture play worthy to revive your memories of the heroine of "Jane Eyre" whom you recall with such deep affection; and Alice Brady's characterization of the luckless girl will endear her to your hearts.

Sending Perishable Foods to Soldiers Discouraged

A large number of packages containing fruits and other perishable edibles are being presented each day at the local postoffice and its branches for mailing to soldiers in military camps and cantonments. The attention of the public is called to the fact that all such packages will be refused admission to the mails if there is any reason to doubt that contents will not be in perfect condition upon delivery to the addressee. The mailing of such edibles is also understood to be contrary to the wishes of the military authorities who have found it necessary in many cases to withhold delivery in order to safeguard the health of the soldiers, the Postoffice Department has officially announced.

MOTORMAN NOT LOSING ANY TIME

"I don't think anyone ever suffered more from stomach trouble and bloating than I have. I had to lay off my run more than half the time and could get no help from prescriptions or medicine. One of my friends advised using Mayr's Wonderful Remedy, which I found to be the greatest remedy ever put on the earth. I have not lost a day since taking it. It is worth its weight in gold." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Doctors Say Calomel Is Best Medicine

According to the world's greatest physicians and medical experts, calomel is the best and most universally useful of all medicines. Medical authorities prescribe calomel for almost every disease and explain that it is the best and surest of all system purifiers. They say that calomel cleanses the liver, stomach, bowels and kidneys and purifies the blood from all poisons, making the system pure and clean so that nature can quickly restore the health.

Now that science has purified calomel of all its nauseating and dangerous qualities, the new kind of calomel, called "Calotabs," is even more popular than the old. As a liver cleanser and system purifier Calotabs are more effective than the old style calomel, yet are entirely delightful in effect. One Calotab at bedtime, with a swallow of water—that's all. No nausea nor the slightest unpleasantness. Next morning you awake feeling fine, with a hearty appetite for breakfast. Eat what you please and go where you please—there is no restriction of habit or diet.

Calotabs are sold only in original, sealed packages, price thirty-five cents. Your druggist recommends and guarantees Calotabs, and will refund your money if you are not delighted with them. (Adv.)

HAVE YOU TRIED PI-NO-ZONE?

The Owl Drug Company,
Decatur, Ala.

Sirs:

Will say we have given your Pi-no-zone a fair test and find that the merits of it is all, and even more, than you claim for it.

We tried it on a horse with cracked heel, and the use of one 25-cent bottle cured him in one week, and we worked him every day while applying the remedy.

We also tried it on a customer of ours that had a sore leg of many years' standing and will say the results were more than we expected.

The Bastille Fell on July Fourteenth

AMERICA TO HONOR FRANCE BY OBSERVING ANNIVERSARY

Sunday, July 14, is the anniversary of the fall of the French bastille, a day that is celebrated in France much after the fashion in which July 4 is kept in the United States, in that it marks the shaking off of the shackles of despotic tyranny.

The French holiday is to be generally observed in America this year, due to the fact that France is the best beloved of all the allied nations. In many cities Monday will be made a gala day.

While no formal celebration will be staged in the Twin cities, it is expected that many of the local pastors will refer to the fall of the Bastille in their Sunday sermons.

Sewing Circle With Much Whispering

We Are All Greatly Indebted to Those Who Tell Their Experiences.

Before the arrival of the stork there is much to talk about. The comfort of the expectant mother is the chief topic, and there is sure to be someone who has used or knows of that splendid external help—Mother's Friend.

Nausea, nervousness, bearing-down and stretching pains and other symptoms so familiar to many women are among the dreaded experiences thousands of mothers say they entirely escape by the use of this famous remedy.

Its influence on the fine network of nerves and ligaments just beneath the skin is wonderful. By the regular use of Mother's Friend during the period the muscles are made and kept soft and elastic; they expand easily, without strain, when baby is born and the pain and danger at the crisis is naturally less. Mother's Friend is for external use only, is sold by all druggists, and should be used with the utmost regularity. Write to the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga., for a valuable and interesting "Motherhood Book." There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written and will be a splendid little text book for guidance, not only for yourself but will make you helpful to others. And in the meantime do not fail to get a bottle of Mother's Friend from the drug store and thus fortify yourself against pain and discomfort.

Religion, Withstanding Cynicism, Has Survived Through the Ages. Go to Church.

A GREAT number of the people who GO TO CHURCH are men and women with the WISDOM OF YEARS AND EXPERIENCE. Many young people who seem to REJOICE WHEN THEY ARE CALLED CYNICS not only fail to GO TO CHURCH, but flippantly refer to the movement.

One great writer said, "WHO ARE A LITTLE WISE THE BEST FOOLS BE." Another said, "A LITTLE LEARNING IS A DANGEROUS THING." Churches have survived through the ages. One hates to think what would become of this world without churches and religion. The churches TEACH RIGHT-EOUSNESS. And yet there are some young people who are disposed to take lightly this splendid GO TO CHURCH movement. Happily they are in the great minority, and it is certain that they will soon be moved by the AWAKENING OF RELIGION over the land. In many churches in the west preachers report a SPLENDID ATTENDANCE OF YOUNG PEOPLE.

THE DAY IS GONE WHEN IT CAN BE SAID THAT THE CHURCH IS ALL RIGHT FOR OLD WOMEN AND CHILDREN. GO TO ANY OF THE GREAT CITIES IN THE COUNTRY AND NOTE THE REAL BIG MEN, THE MEN YOU'D LIKE TO KNOW, AT DIVINE SERVICE. THEY ARE PROUD TO BE SEEN IN CHURCH. NO, INDEED, THE CHURCH IS NOT FOR THE OLD AND THE WEAK. IT IS FOR THE YOUNG AND STRONG. IT IS FOR EVERYBODY, FROM THE HIGHEST TO THE LOWEST. PRESIDENT WILSON HAS EMPHATICALLY GIVEN HIS APPROVAL TO THE GO TO CHURCH MOVEMENT.

If you are one of the young men who has been reached by the GO TO CHURCH appeal and now regularly attend church, you are to be commended. But you can do more. You can induce that friend of yours who is inclined to cynicism to join the GO TO CHURCH throng. Argue with him. Plead with him. Show him the right way. If you do this, you'll be doubly rewarded.

Get him to GO TO CHURCH next Sunday.

Get him to GO EVERY SUNDAY.
